Our Mission

Syelle Senior Nail Care delivers professional, compassionate nail and foot care that supports comfort, dignity, and well-being for seniors in their homes and care communities.

Services for Your Residents

Essential Nail & Foot Wellness

Routine manicures and pedicures focused on hygiene, comfort, and maintenance of natural nails and skin.

Advanced Foot Health Care

Non-invasive care for thickened nails, dryness, and callused skin using gentle, waterless techniques.

Services are cosmetic in nature and designed to support comfort and appearance.

All services are waterless, infection-conscious, and performed by licensed cosmetology professionals trained to work with senior populations.

Clients requiring medical treatment are referred to licensed podiatry providers.

Your Residents' Safety, Comfort & Care—Answered

Is this safe for our residents?

Yes. All services are waterless to minimize infection risk. Our technicians are licensed, insured, and trained to work with seniors, limited mobility, and sensitive or high-risk skin. We follow strict sanitation, safety, and documentation protocols.

Will this create additional work for our staff?

No. We manage scheduling, setup, and cleanup. Staff involvement is minimal, and we coordinate directly with residents and families when appropriate.

What about residents with medical conditions?

Each service begins with an assessment. We work within our professional scope, document concerns, and refer residents to medical providers when necessary.
